Appendix 7: Lexical Lists Used in Analysis

(Pertains to chapter 5, by Laura Aull)

Boosters (Aull, 2015 minus *always, never*)

beyond doubt	they indeed	indeed enhance
indeed certain	we indeed	does indeed
certain	as indeed	should indeed
certainly	indeed the	society indeed
clear	but indeed	that indeed
clearly	yet indeed	would indeed
conclusively	not indeed	indisputable
decidedly	indeed help	indisputably
definite	indeed work	not true
definitely	indeed true	known
incontestable	indeed necessary	no doubt
incontestably	indeed more	doubtless
incontrovertible	important indeed	undoubtedly
incontrovertibly	rare indeed	without doubt
had indeed	indeed rare	of course
one indeed	indeed fortunate	sure
this indeed	fortunate indeed	surely
indeed makes	ironic indeed	very
indeed become	indeed ironic	extremely
indeed make	indeed impressive	more
indeed there	impressive indeed	really
was indeed	indeed bleak	undeniably
were indeed	bleak indeed	undeniable
is indeed	indeed startling	quite
there indeed	startling indeed	not replicable
indeed do	indeed daunting	not realistically
indeed very	daunting indeed	definitely not
are indeed	indeed unfortunate	there are no exceptions
it indeed	unfortunate indeed	absolutely no
humans indeed	shocking indeed	no doubting
have indeed	indeed shocking	no way to
has indeed	indeed important	no way of
indeed those	indeed capable	there is no question
indeed our	can indeed	can literally
and indeed	will indeed	fully
she indeed	indeed does	should not
he indeed	indeed did	should only
people indeed	correct indeed	should never
which indeed	indeed correct	should know
many indeed	did indeed	must
	indeed encourage	has to
	true indeed	have to
